organised on the occasion of
**OIL's 60 years Commemorative
Celebration**

**on 20th April, 2018
at Gauhati University**

Jointly organized by
SECONE Society
Gauhati University

In collaboration with
Botanical Society of Assam

OIL's 60 years Commemorative Celebration

With a legacy traversing three centuries from the commercial discovery of crude oil at Digboi in 1889 and Independent India's first oil discovery in Naharkatiya in 1953- all in the north eastern state of Assam, Oil India Limited was born on 18th February 1959 and has pioneered in the field of exploration and production of hydrocarbon. While continuing its pioneering role in the century old saga of hydrocarbon exploration, it has incessantly contributed to the economic growth of Assam. While continuing its core business, OIL has also given special emphasis on carrying out its duties as a responsible corporate citizen.

As OIL steps into its 60th year, it is felt prudent by OIL to join hands with SECONe Society in collaboration with Gauhati University and Botanical Society of Assam to celebrate 'OIL's 60 Glorious Years' with a day long programme.

The conclave aims to provide opportunity for strengthening Industry-Academia as well as social bonding. It will also give enough scope for the Students, Researchers, Lawmakers, professors, Social Scientists and common people to interact with the Corporate personnel to understand the initiatives taken up by OIL in technical and social front.

The conclave will be inaugurated by Hon'ble Vice Chancellor of Gauhati University, Dr. Mridul Hazarika and Hon'ble Chairman & Managing Director of OIL, Mr Utpal Bora has kindly consented to grace the occasion as Chief Guest.

Topics to be discussed:

- OIL's 60 years of journey
- OIL's contribution to the economic growth of Assam
- OIL's -CSR (Corporate Social Responsibilities) initiatives
- OIL's R&D initiatives
- OIL's initiative for local entrepreneurs
- OIL's initiative in Start Up Movement
- Career opportunities in OIL
- OIL's future plan

Speakers

- Ms R Devi, Executive Director and Head of CoEES, OIL
- Mr Rajib Sarma, Executive Director & Basin Manager, OIL
- Experts from OIL
- Experts from Universities of Assam

About SECONe

SECONe is a society formed by the energy sector organizations in North East in 2009 at the behest of then Governor of Assam. The acronym for SECONe is "Synergy for Energy-Challenges and Opportunities in North East". The very objective of SECONe is to bring together various organizations, academic bodies, R&D institutes, government agencies involved in energy business and other stake holders and thereby to create a synergy amongst all for overall improvement of energy scene in North East.

About Gauhati University

Gauhati University (GU) is the pioneer institute of higher education in the entire North East India. Since its inception in 1948, it continues to be a leading teaching and research institution, offering courses in a wide range of disciplines. The University has forty-one Post Graduate Departments, an Institute for Distance and Open Learning (IDOL) and a constituent Law College in the main campus along with more than 300 affiliated colleges. The Mission of the University is to bring about social, economic, moral and spiritual up-liftment of the people of Assam. .

About Botanical Society of Assam

The Botanical Society of Assam is the umbrella organization of plant lovers, plant scientist and nature lovers of Assam. From the day of inception in the year 1993, The Society has been actively working in the field of conservation of nature and popularization of science in the state.

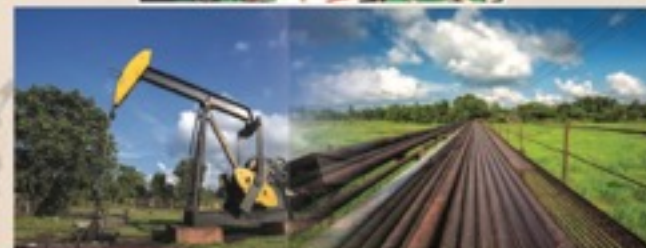

When a village kid dreams of becoming a computer expert...

Times are changing.

Oil India Limited has been in constant endeavour to spread education and enabling young minds to chase their dreams by developing school infrastructures in rural areas and setting up higher education facilities. Through flagship projects like Village Students can also interact with the corporate education and an award merit scholarship.

This is the time when a young mind have to dream big and turn the dream into reality.
